

Spring Cleaning On Notre Dame Campus

Alfred, ME. The Notre Dame campus buildings have undergone extensive maintenance work recently. In April, thorough work was done on Denis Hall/Spiritual Center. All windows, frames and external doors were scraped, caulked and painted, after a team of Limerick Roofers/Painters returned to do the refurbishing.

Next they completely re-roofed Stephen Hall and the adjacent garage. Carpentry and painting work was done during May. They also repaired the leaking roof at Eugene Hall and retouched the third floor ceiling. Electrical and plumbing fixtures were attended to.

Finishing touches on the painting and repairs of the front porch of Notre Dame Hall and the wainscoting of the infirmary building were completed in mid-June

In the planning stage is the paving of the tennis court adjacent to the chapel now serving as a parking area for Sunday masses and for the football practices and games of the Notre Dame Cougars.
